Bacitracin400 Unit
Excipients.....q.s.

INDICATION:

⊕ Treatment & Protection of Wounds,
Cuts & Abrasions.

CAUTION:

- ⊕ Highly Inflammable. Pressurized container. Do not crush or apply pressure.
- ⊕ Do not expose to temperature exceeding 50°C/122°F.
- ⊕ Avoid contact with eyes.
- ⊕ This product stains, avoid contact with hands & clothes. Wash hands after use, Harmful if taken internally.
- ⊕ Store in a cool & dry place.
- ⊕ Protect from direct sunlight.
- ⊕ Keep out of reach of children.

DIRECTIONS FOR USE:

An external application on the wounds once or twice to produce a fine antiseptic coating or as directed by veterinarian. For the best results wounds should be cleaned, disinfected & sutured if necessary before the application of Ve-Heal Spray.

Shake Well Before Use

ADVANTAGES:

Ve-Heal Spray protects skin wound from contamination. Ve-Heal Spray allows wound to oxygenate. It is an active wound healer with wound protective formula to adhere to skin while not washed with hot & cold water post application. This antibiotic wound dressing spray contains pressurized aluminium which forms protective layer over the wound that is sprayed upon.
